

NEWSLETTER NO. 4/2022

Dear reader,

We are happy to share with you the fourth Boosting Classes 2.0 newsletter. You can read about the progression of our project below.

Boosting Classes 2.0 – Dissemination activity

The article “Boosting Classes 2.0 for high-quality teaching in adult education” was presented to the international conference INTED 2022 on 7-9 March.

This conference was the best opportunity to present and share the experiences in the fields of Education, Technology and Development in a multicultural and enriching atmosphere.

BoostClass 2.0 project has been promoted through the EPALE platform that is the first online platform in Europe entirely dedicated to the adult education sector. <https://epale.ec.europa.eu/en/node/321859> Since 2014, the year of its official European launch, EPALE’s primary objective has been to open up a national debate at a European level on adult education schemes. The system also offers a tool to search for contacts to strengthen online collaboration and create new synergies inside its community.

Boosting Classes 2.0 – Transnational Project Meetings

The fourth transnational meeting was organized by the Center for Educational Research and Innovation - CERI (Bulgaria) on May 12, 2022 in Burgas, with the same representatives of the BoostClass2.0 project and practically with the same objectives, to monitor the evolution of activities, financial aspects, such as

and handle all the technical activities that need to be done in the project. The most important discussions focused on the IO3 Intellectual Output stage - the piloting phase and the presentation of the project works.

BoostClass 2.0 Final Meeting organized on September 8th 2022 at c/o Stabilimento Lido Bahia Blanca - Via Flacca, Km 25/700 - 04024 - Gaeta (LT). The aim was to discuss the final results achieved after two project years.

BoostClass 2.0 – Final International Workshop

Final Workshop organized on 9th September by CPIA Formia at the end of the BoostClass 2.0 project activities. The event has reached 117 people among headmasters, teachers, public authorities, students and general audience. It was great opportunity to present the final results achieved and to share good practices in adult education.

Erasmus+ *Boosting Classes 2.0 for high-quality teaching in adult education*

Project partners:

Thank you for your time and interest in the project, and you can follow us on:
