Event Objectives and Topics

The objectives of this multiplier event is to share and let the participants know about:

- the different school partners involved the project
- the aims of the project as stated in newsletter nº 2.
- the website of the project https://www.boostclass.eu/
- the intellectual output 1: the work carried out on the basis of researching about "how to integrate effectively the new technologies in adult education through specific teaching and learning approaches such as project based learning"
- the intellectual output 2: the learning environment platform with the different the different topics and materials which make up the platform (lecture notes, presentations, guidelines and multimedia lessons available for the training)
- the piloting phase: how and who is this work carried out
- timeline of the project

Event date and venue

CEPA Casa de la Cultura. Events Room.

C/Guadalajara, 3. 28901 Getafe, Madrid. Friday, 16th December, 2021.

Agenda

17:00 Reception and delivery of credentials

17:30 Presentation of the Erasmus + context

18:00 General presentation of the Boostclass project.

19:00 Coffee break

19:30 Presentation of the project website https://www.boostclass.eu/

20:00 Closure and delivery of certificates of attendance

Brief description about the event

The target group was adult school teachers/educators and students from the South Region of the Autonomous Community of Madrid: Leganés, Parla and Getafe and also staff from the South Madrid Area of the Board of Education (DAT Sur).

A total of 80 people attended the event and they received a brochure in Spanish.

We printed 10 posters for the walls and we created a poster advertising the event with the agenda and location.

We projected the information for the audience.
