Event Objectives and Topics

The multiplier event was organized by LTGB Romania on December 13th 2021 and reached teachers from different schools or regions of the Dolj County. from other Italian regions. Therefore, it was an interregional events by reaching 50 participants including the internal members of the team. The final external impact was 54 people as shown in the signature sheet attached (ANNEX 6 –SIGNATURE SHEET)

Annex 1 – Presentation of the project aims during the multiplier event organized by LTGB Romania The event was addressed to the headmasters, teaching and non-teaching staff, public authorities in education and to all interested people in order to promote and share the project aims and the results achieved so far.

The aim was to reach the target groups to be involved in the project piloting phase; to promote the project results achieved, to go on with the information collected on the project target groups, to investigate the familiarity with the technology applied to the teaching and learning and to involve some of them in the project and to build the BoostClass 2.0 network.

Event date and venue

The event was organized on December 13th 2021 at Technological George Bibescu High School in Craiova, Romania.

Agenda

This event presented and promoted the O1 - Framework to integrate new technologies in adult education through project-based learning and O2 - Promoting digital skills for classes 2.0 development in adult education as specified in the agenda (annex 3).

The guests were received in the high school's banquet hall. In the opening speech, the director presented the school and the activities in which it is involved.

This was followed by a presentation of the Boostclass 2.0 project with a focus on the buy-in of teachers who took the course and the benefits for teaching adult classes.

The event concluded with a Q&A session, networking and brainstorming. The participants were delighted and interested in the novelties brought by this project.

Brief description about the event

The participants registred to the event were 54.

To promote this event, several dissemination materials were produced as follows:

- 1. Agenda
- 2. A flyer
- 3. A roll-ul
- 4. A power point presentation
- 5. Some photos taken during the event

Annex 1. power point presentation
