Event Objectives and Topics

The multiplier event was organized by PGMEE to reach the target groups to be involved in the project piloting phase; to promote the project results achieved, to go on with the information collected on the project target groups, to investigate the familiarity with the technology applied to the teaching and learning and to involve some of them in the project.

The multiplier event informed the participants about:

- the project, its goals, activities and results so far
- the project website <https://www.boostclass.eu/>

It also promoted:

- intellectual output O1 - Framework to integrate new technologies in adult education through project-based learning
- intellectual output O2 - Promoting digital skills for classes 2.0 development in adult education

Date and place of the event

Aqua Hall .

Burgas 20^{October} 2021

Agenda

16.00 Registration

16:30 General presentation of the Boosting Classes 2.0 for high teaching quality in adult education project.

17:00 Presenting O1 - Framework to integrate new technologies in adult education through project-based learning

17.30 Presenting O2 - Promoting digital skills for classes 2.0 development in adult education

18:00 Coffee break and catering

18:30 Presentation of the project website <https://www.boostclass.eu/>

18.45 Discussion and closing of the event

Short description of the event

The target group were teachers and students adult learners from Burgas schools as well as other people interested in the project, its goals and activities.

A total of 47 people attended the event and they received a brochure in Bulgarian .

We printed brochures in Bulgarian for the participants in the event.

We created a poster advertising the multiplier event.
